

QUALITY POLICY

The aim of our **QUALITY POLICY** is to delight our customers, at all times, by supply of high quality forged and machined rings.

This is achieved by:

- Establishing the standards throughout the organization
- Conformance to the established Standards, Procedures, Processes, Practices and Methods
- State-of-the-art technology to produce consistently defect-free products
- Engaging People who are trained to meet Customer requirements

SEFORGE will always be cost conscious Organization and all its business practices will be based on quick response and timely completion of its commitment.

SEFORGE will continually improve and upgrade quality, productivity and business processes.
